A PUBLICATION OF THE LIONS OF LOWER MICHIGAN - MD 11

## 2020 PEACE POSTER WINNER ANNOUNCED!

The Governors voted on the winning MD 11 Peace Poster at their December Council of Governors Meeting. Ten (10) entries were received which represented district winners.

This year's Peace Poster theme, Journey of Peace, is beautifully depicted in the artwork of 7th Grader Aubrey Weber. "The only true peace you will find on earth is the peace that comes down from above."

Aubrey will be awarded a \$300.00 prize from the Lions of Michigan, and her submission will be sent to Lions International for consideration. Winners will be announced February 1, 2020.

## 2020 ESSAY CONTEST WINNER!

Congratulations to Anayah Taylor of Battle Creek, winner of the MD 11 Journey of Peace Essay Contest. Anayah's essay will be sent to Lions International for consideration of the 2020 contest winner.

Anayah's message about the Journey of Peace states that "Peace is forever a journey. It will be like this until the end of time."

Anayah is an 8th Grader at Pennfield Middle School, located in Battle Creek, District 11 B1. Congratulations to both winners, Aubrey and Anayah!

**Friday Night Service Project at the Michigan Forum  
Presented by the Global Service Team  
Friday, February 21 - 7:30 p.m.- 9:30 p.m.  
HOLIDAY INN GATEWAY CENTRE, GRAND BLANC  
"NOT YOUR FATHER'S SOCK-HOP"**

The purpose of this event is to combine Lion's fellowship with the collection of needed winter items for three worthy causes. Join us for some upbeat music by a local Lion D.J. as well as some time to make special memories using an old-fashioned photo booth.

Come as you are or dress for the occasion. Awards will be given out for "most spirited individuals" both in dress as well as over-all spirited. The most coveted award will be for the individual or Lions Club with the most collected packages of socks.

In keeping with the title of the event, we will be collecting men's, women's and children's socks. The "entrance fee" is a 6 pack of socks or 3 boot socks (as these are often more expensive). Please note that during the winter holiday and early 2020 months, "buy one get one free" socks are often available. Be sure to "sock-up!"

*The Collections will Benefit Three Local Charities*

Women's Homeless Shelter / Domestic Violence Shelter

**HELP HERALD THE GOOD NEWS OF LIONS AND OUR 100 YEARS OF SERVICE**

Help herald the good news of Lions and our 100 Years of Service to the state of Michigan! We have officially entered into our 100th year, and much like we did during the LCI Centennial, Lions Clubs are encouraged to create a Centennial Community Legacy project to commemorate this milestone anniversary, or conduct service projects benefiting our five pillars of service: Diabetes, Hunger, Childhood Cancer, Vision and Environment. Information is readily available on LCI's website.

**Lions are called into action when we come together to serve.**

The Michigan Lions Forum will take place in February at the same location as last year, the Holiday Inn Gateway Centre, Grand Blanc. The committee has once again lined up 16 excellent breakout session topics to choose from. Information is included in this issue, and complete registration packets were mailed to all club President's and Secretary's in November. Information can also be accessed from the website, [www.lionsofmi.com](http://www.lionsofmi.com).

Friday night there will be a fun, large group service project organized by our Global Service Team. "Not your Father's Sock Hop" will be a benefit to area shelters as we collect socks for men, women and chil-

dren. Hit up the January clearance sales and "sock-up" for this event!

You are encouraged to attend the Forum with your fellow club members to get the most out of the informational sessions. Teams of four can take part in each breakout offered every hour. Take advantage of the knowledge and information being offered by our presenters.

I came across a quote that is worth sharing – and very fitting for Lions:

"Volunteering is the ultimate exercise in democracy. You vote in elections once a year but when you volunteer, you vote every day about the kind of community you want to live in." -Anonymous

Thank you, Michigan Lions, for making our communities a place where we want to live! Wishing everyone a very happy, healthy, holiday of joy.

Lion Wendy Burns, Executive Director

 **2020-2021 MD 11 COUNCIL CHAIR ANNOUNCED!**

The 1st Vice District Governors interviewed three outstanding candidates for the position of Council Chair for their year as Governor, which will begin on July 1, 2020. PDG Jeff Mayuiers, District 11 B2, was selected to serve. Congratulations to PDG Mayuiers and thank you to those who interviewed.

Lion Jeff has been the MD 11 Global Leadership Chairperson since 2017, conducting the VDG training and leading the District Global Leadership Team through the end of June, and looks forward to serving the leadership of our state in the coming year.

**LEADERSHIP... WHAT'S IT ALL ABOUT?**

To begin you have to be your own leader. Everything starts with you! If you cannot lead yourself, then obviously you won't be able to lead anyone else. Self-leadership is the greatest challenge for anyone as a leader. You know you must stay connected with people and look for all opportunities that can add to your leadership skills. If you were one of the many that attended the Lions Leadership Institute at Higgins Lake that is exactly what it's all about. It was about you!

Leadership itself is all about people. If we agree every individual is different, we can also agree everyone processes things differently.

So leadership is all about understanding people. To understand people you have to be a good listener. A true leader is never too busy to connect and maintain a solid relationship with those they intend to lead. Those listening skills will determine the quality of your influence. It's very hard to lead people unless you value every relationship and understand them.

Again if you attended Lions Leadership Institute you know building relationships is also what it's all about.

Keep in mind great leaders aren't afraid to lead from the front. They allow someone else to lead, while they step back and just simply join the team. This type of leadership is a form of mentoring. Letting someone else step up who may be hesitant yet willing if they are confident your support is near. Remember as a leader you never stop communicating using whatever method works best for that relationship. Face to face, formal meetings, emails, teleconference, and Zoom conferencing shows you are willing to do whatever it takes. And we as Lions are thankful for all you do!

**Leadership is an Action...Not a Position**

Welcome to our 103rd International Convention in Singapore - noted as the second safest city in the world by the Economist Magazine and one of the most expensive cities globally. Here are a few facts to round out your experience.

- 1) Singapore is 12 hours ahead of Detroit time; Airport code: Singapore (SIN) and Detroit (DTW)
- 2) Travel from Detroit to Singapore is 22 hours and 9400 miles. Detroit to Australia is 23 ½ hours and 9900 miles.
- 3) Singapore is located 85 miles south of the equator with its average humidity above 50%. Weather is considered tropical year-round. Daily rainstorms are possible any time but usually peak in November and December. Daily high temperatures are around 88° F, rarely falling below 85° F or exceeding 91° F. Daily lows are around 79° F and rarely fall below 77° F.
- 4) Singapore receives predictable haze and smoke from the slash & burn agricultural fires in nearby Sumatra, Indonesia. Travelers with respiratory problems should check the "Haze in Singapore" website.
- 5) No visas are required for the International Convention and those Lions staying 30 days or less. You should have a copy of your travel itinerary for customs officials.

**Watch upcoming issues of the Lion Pride for more details on this exciting city and the 1003rd LCI Convention!**

> LIONS CODE OF ETHICS

**LCIF WEEK JANUARY 13-17 2020**  
**Together, We Can. Together, We Will.**

Changing the world. It's why you became a Lion. It's also why Lions Club International Foundation – OUR FOUNDATION – is empowering your service through its most ambitious fundraising campaign.

Campaign 100 is raising funds so that the Foundation can continue to “increase service impacts and expand our global causes. For decades, we’ve contributed to Lions’ efforts in the focus areas of vision, disaster relief, youth and humanitarian causes. LCIF has added new global causes of Hunger, Childhood Cancer, Environmental issues, and Diabetes.

Thru LCIF Grants awarded to the Lions in Michigan in just 2018--2019, we have recently received \$47,000 for LOM Mobile Vision Sight; \$10,805 for Eversight Equipment; \$10,000 Tornado Relief; \$187,509 Michigan Defense Against Diabetes; \$86,577 for equipment & renovations for Lions Bear Lake Camp; \$34,155 for Community Walk-in Diabetic Center in 11D2; and \$100,000 for All inclusive Playground for Disabled Children in 11A2. In addition to these grants, District 11D2 used their Community Impact Grant of \$1,800 to feed and provide clothes to the Veterans in their area. This totals \$477,846 that LCIF provided to MD11.

As of November, Lions in Michigan have given to LCIF \$80,483 since July 2018.

During LCIF WEEK, let's promote Lions Club International Foundation in your Districts and Clubs. We need to raise awareness of how LCIF helps the Lions of Michigan and perhaps plan some fundraising events during this time. Post your fundraisers on Facebook, in local businesses, newspapers and Club/District newsletters. Share your ideas and notify your District LCIF Coordinator. Also, in addition to raising funds, talk about the global causes. Hunger Awareness is for month of January. Childhood Cancer is for month of February. Educate your area about these two new causes and raise monies while you promote them in your areas.

Where there is a Need, you find a Lion.

**LIONS CODE OF ETHICS!**

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticism and liberal with my praise; to build up and not destroy.

**Mission Statement**

The Lions of Michigan will support the mission of Lions International and will serve Michigan communities, support Lions district, state, and international projects and promote membership, leadership, and training at all levels.

**Vision Statement**

The vision of the Lions of Michigan is to serve the needs of people in our communities, preserve sight and hearing through our existing state projects, new state projects, and partnerships with other organizations in the state of Michigan.

Belleville Lions had a couple of very special guests attend their Board meeting. 11-A1 Region 2 Chairman John Spencer and 11-A1 District Governor John D. Daoud were kind enough to share some words and thoughts.

*In photo: Paul Aldrich (President), John Spencer (Region 2 Zone 2 Chair), John Daoud (District Governor), Barry Robinson (guest)*

John Spencer spoke with us about his work with Disaster relief, and programs that we could utilize for members of our community and widespread to help those when they need help the most. He discussed grants that families and those who've suffered catastrophic damage to their home or property can apply for through Lions clubs - they can pay up to \$1500! We appreciate John joining us and his willingness to share insight and information.

District Governor John D. Daoud spoke with us at length about his past, present and future partnership and commitment to Serve with the Lions. He provided us with fun and witty ideas to raise a few dollars at every meeting as well as ways to attract more people to join our club. You can see John's commitment to Lions. When asked, he stepped into the Governor's role for 2019-2020 after the sudden passing of the previously elected Governor. He served as 11-A1's District Governor in the past - in 2009-2010. John's energy and enthusiasm make him an easy person to talk to and a difficult person to forget.

Members of the Brownstown and Detroit Westtown-Hartford Lions Clubs provided gifts to the adopted kids during the annual Penrickton Center Christmas Party with Santa.

the Bedford Township Lions got into the Christmas spirit by decorating their Christmas tree at the Bedford Public Library. A fun time with beautiful results, come on out to the Library and see.

Recently, one of the causes Livonia Lions Club supports, Horses Heal Hearts of Michigan, welcomed veterans from Operation Injured Soldiers along with other veterans and their families to experience the power of the horse. Lion Gordon volunteered, along with Lion Dina, Lion Allison and Yusup. (Photo credits to Lion Dave Zarek)

The Wyandotte Lions Club had such a great time celebrating the holidays with the Penrickton Center for Blind Children staff, family & kids this evening! We're so proud to support such an incredible school - they do such important and loving work with children who are blind in addition to having another disability. Behind us on the ceiling in this photo you can see their track system which helps their kids learn to walk or strengthen unused muscles if walking isn't possible.

The Lake Orion Lions Club recently Held their Annual "Christmas for Everyone" Dinner and Auction to Raise Money for their Christmas Basket Program Over 300 were in attendance at the auction and were able to bid on a vast array of baskets and items. There were also several live auction items that were very popular amongst the bidders! The auction completely took over the Milosch Palace Chrysler dealership showroom. A delicious meal was served and a great time was had by all!

The Selfridge-Chesterfield Lions Club presented a fantastic Halloween Murder Mystery Dinner in late October. Guests (some of whom were in their favorite Halloween costumes) were provided with a delicious meal and then were treated to an interactive murder mystery, complete with an assorted cast of possible suspects and witnesses! Audience members joined the cast which added to the fun! Our very own Governor, Scott Berry, was questioned by the victim's maid as a possible suspect! You couldn't trust anyone in the room that night! Could the murderer have been the doctor, brilliantly played by Lion Kim Lubinski? The detective was grilling everyone!

The Ray Township Lions Club is showing our appreciation for our men and women who are serving overseas in our military. We have shopped for and filled thirteen boxes with items that we know they love to receive; things most of us take for granted, like toothpaste and toothbrushes, shampoo and lotions. We also include cookies, candy, playing cards and much more. We thank each and every one of them for their service!

The New Haven Lions Club hit it out of the park recently with their New Haven Lions Club Feather Party! They played Bingo for food (turkeys, chickens, Cornish hens) and door prizes. "We had cars parking down the road and we were setting up tables to accommodate the amazing response! Thank you everyone for all the support to give the kids in our area a Christmas and enough money to keep our hall functioning all winter!"

Have an amazing Thanksgiving and Christmas! Love the New Haven Lions Club and Area Goodfellows!!

Recently a group from the Sterling Heights Lioness Club went to the annual Christmas party at Penrickton Center for Blind Children. Our adopted girl, Kyla, loved her new Owl piano. The clothes Lioness Sandy Varto chose for her gifts were really cute with soft fuzzies, sequins and warm jammies. Kyla will enjoy the sensory explorations of these new clothes. This is our last year to treat Kyla as she is 12 now and will leave the facility when she turns 13.

Goodfellow Program & Breakfast with Santa keep the Richmond Lions Club members busy. Where there is a need... there's a Richmond Lion! The Richmond Lions Goodfellows assist not only with "no child without Christmas" for area children and family's in need (food and toy delivery), but they also provide year-round assistance with eye exams, hearing aids and on-cost medical equipment rentals. Our club recognizes that those in need or fall on hard times and the need for assistance year round and provide that service 365 days a year.

Our club also provides (separate from the Goodfellow program) a no cost breakfast with Santa. This program provides breakfast, visit with Santa for the kids, free eye screenings for the kids, visit with Leader Dog pups, air brush tattoos, etc. All for a free will donation. This is our clubs Christmas gift to the community!

The Ann Arbor Host Lions recently attended the Shelter Association of Washtenaw Health & Wellness Fair at the Delonis Center. Four Ann Arbor Host Lions, Amy Shepherd, LuAnne Bullington, Carol Downton and Rich Westbury, had the absolute pleasure of volunteering at the first annual Health & Wellness Fair at the Delonis center this past week. We were among 15-20 other local organizations that were there to share services. We conducted vision screenings using the SPOT Camera, dispersed new reader glasses that were generously donated by the Dexter Pharmacy, and shared information about the Council of Lions eyeglass program. We were also joined by District 11B1 Diabetes Chair, Terri Huffman, who conducted glucose screenings. Three of our U of M Lions also stopped by to help and learn about our services. We were told multiple times how grateful they were to have us there. The new reader glasses were a huge hit!

Adrian Vision Assistance - Spearheaded by Lion Laura Van Sickle and through the collaborative efforts of the Adrian Breakfast Lions, the Lions of Michigan Foundation, District 11-B-1 Sight and Hearing Committee, the Adrian Eagles Riders, the Lenawee Community Action Agency, and a Go Fund Me website campaign Adrian resident Brenda Menominee is able to see much better now.

**Shown with Brenda and her eSight glasses are members of the Adrian Eagle Riders and Lions Laura Van Sickle (2nd from left, front row) and Terry Hicks (club president, 2nd from left in the back row).**

Brenda was born blind in her right eye and has been experiencing vision loss the past two years in her left eye. She now receives injections in her eye every eight weeks to help maintain the vision she has left. In October at the Kellogg Center, Brenda experienced for the first time the eSight glasses. They gave her the ability to see the world around her more clearly. However, the device is very expensive and Brenda knew she could not afford them. Through her acquaintance with Laura she found an individual to champion her cause. Laura, with the help of the Lions organizations and others mentioned previously was able to raise the funds necessary to get Brenda her own eSight glasses. Now with the help of her new eSight glasses, Brenda can clearly see her granddaughter's face and enjoy a greatly improved quality of life.

The 11-B1 Cancer Committee picked up the following beautifully made hats, scarves, and beanie cancer hats, plus two small blankets. These were produced at the Lakeland Correctional Facility. (21 hat/scarf sets, 57 beanie hats, and 2 blankets)

In keeping with their commitment to literacy, The Adrian Breakfast Lions donated over \$100 worth of scholastic books to Michener Elementary School in Adrian. Shown with first grade students are Librarian Cindy Howard and Lions members Larry Atkin, Hazel Jacobs, Burt Fenby, and Robert Guy. Books were also donated to Addison Elementary School.

The Branch Area Lions held their 2nd Annual Lights of Love event in early December. For this event, trees are trimmed with white lights and a red bow and are adorned with the name of an honoree, business or donor. People or businesses sponsor trees for \$100. 100% of the proceeds go directly to community services in Branch County to provide Diabetes prevention and education programs, glasses and hearing aids.

President Patrick Donlon of the DeWitt Lions Club introduced Mr. Rob Bush DeWitt High School teacher and coach of the Robotics Club. He introduced students Toby Kind, John Cudney, Isac Rios, and Josh Crook - DeWitt HS Robotics Club members. The Robotics Club was started eleven years ago with eight students and one team. Today there are 35 club members with four teams [one for each grade]. The teams compete against other schools and in early December they competed in Grand Rapids along with 80 other teams. There is much strategy in building the robots for each competition keeping their minds active. The robots cost \$1,500 - \$2,000 each and are sponsored by companies and organizations. The den is an annual sponsor. Mr. Bush has applied for a grant through the State of Michigan. The boys demonstrated two of the robots and told of the rules and criteria for the upcoming meet.

At a Holt Lions Club meeting, Jeanny, a student at MSU from South Korea told us a little about her country. She was very interesting. Then she did something different. Jeanny brought chopsticks with her (metal not wood) and proceeded to show us how to use them. It turned out to be harder that it looked. The next thing she showed us was how to write in Korean. She had a handout that showed us how to write a word. It was a lot of fun for all.

The Brighton Lions Club, in cooperation with Gleaners Food Bank and the Salvation Army, spent November performing its annual Thanksgiving Service project. Each year, the project consists of three phases. The first being a Canned Goods Collection Drive followed by Packing Night and finally Thanksgiving Basket Distribution. We kicked off the month with a one-day event that collected about 800 pounds of food plus \$585 in donations at Bush's Fresh Food Market. The second phase was packing night where 30 Cub Scouts along with 20 volunteers helped Lions members fill boxes with food. An assembly line was set up at Gleaners Food Bank and Cub Scouts manned stations to fill boxes with canned goods. Other Cub Scouts and volunteers assembled the boxes or filled bags with potatoes. Pizza and soft drinks were served to all our helpers. The final phase was the two-day distribution of food boxes along with a turkey to the 142 families we adopted this year. This project helped provide 559 family members with a Thanksgiving dinner that they could enjoy in the comfort of their own home.

Lt. Col. Terry Dankenbring of the Grand Ledge Lions Club was presented this fine award by Mr. Andrew Cosgrove, Director of Military Affairs, LCC.

During the month of November, the Buena Vista Township Lions Club received a request from a teacher, Omie Smith, at the Jesse Rouse Elementary School, to provide

eyeglasses for one of her students. The BVTLC responded and Lion Dan Houston presented a check to Ms. Smith and her student.

The Chesaning Lions Club presented a check for \$1,000 to Chesaning Area United Appeal (CAUA) for the 2019-20 fundraising campaign. The CAUA campaign was delayed this year; campaign letters were mailed out two weeks ago. Donors whose gifts are received before the end of the year, by December 31, will be entered into a drawing to win one of two gift cards. The goal is to raise \$30,000 to be distributed through grants to local nonprofit groups. The funds raised support local programs such as the Chesaning Area Emergency Relief (CAER), the Chesaning Senior Center's Young at Heart Club, the Rehmann Health Center, River Rapids District Library and Manna from

Heaven (Chesaning food distribution group). **Pictured from left to right are Chesaning Lions Club president Dwayne Amman, Lions secretary Carissa Toma, and CAER campaign co-chairs Cathy Gross and Mary VanLoon.**

Once again the Frankenmuth Lions Club is supporting the Salvation Army during their Christmas Red Kettle campaign, as the club has been doing for more than 20 years. The Salvation Army serves over 2500 families of Saginaw County through dinners, countless toys, coats, hats, gloves and other necessities of life. Members of the Frankenmuth Lions Club "man the kettle" at the Frankenmuth Kroger store for twelve hours a day during three weekends, beginning immediately after Thanksgiving. Through generous donations from the community, each year the club has raised from \$2,000 to sometimes almost \$4,000, all of which goes to the Salvation Army for their campaign.

Metamora Lioness Lions hosted a ladies-only shrimp dinner in November. This was done for the deer hunters' lonely spouses. They raffled 60 prizes and had 50/50 drawings. Prizes consisted of big screen TVs, a Kayak, a Pop Corn machine, and several gift cards. There were 50/50 drawings throughout the evening. There were over 200 guests with 300 lbs. of shrimp served. It was a great event that rose close to \$5,800 in profit and the members are already planning one for next year. This club gives to all the main Lions State charities (Bear Lake, Leader Dog for the Blind, Eversight, and Lions of Michigan Foundation) and to the community needy.

USA Lions Guest on their pre-Christmas meeting was Sherry Fuerst who on behalf of Caring and Sharing in the Sebewaing area accepted a check for \$1000 from the club President Lindy Wine-man.

Applegate Lions did their annual Goodfellow paper fundraiser. This has been a tradition for this club for several years. As a lot of the clubs get ready to start, Applegate is complete. This provides funds for the food boxes and holiday contributions.

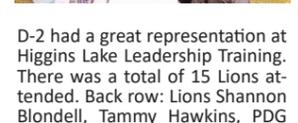

The Hadley Lions Spaghetti Dinner Night also hosted the District 11 D-2 annual Peace Poster judging contest. There were five entries and the winner came from Almont schools. This was the third straight year for Almont. The event was well attended by the public and Lions. 2nd VDG Brian Betzold holds the winning entry.

Memphis Lions bagged candy and nuts for the annual tree lighting ceremonies at the City Park. Lions had a lot of help from our Scout troop 245 and the Memphis Leo Club. This is sponsored every year by the Memphis Lions; the club buys the candy and nuts to give to the children. They packed over 100 bags for the children at the park. Scouts and Leos also sorted boxes of used glasses to recycle. There were several boxes of used glasses that totaled over 200 pair. The used glasses are provided to people who cannot afford glasses. The Lions sponsor events in depressed areas of the World and areas of the country to supply re-worked glasses.

D-2 had a great representation at Higgins Lake Leadership Training. There was a total of 15 Lions attended. Back row: Lions Shannon Blondell, Tammy Hawkins, PDG Jack Kriete, Tim Dietzel, 2VDG Brian Betzold, PDG Dave Wineman, and Dave Keller. Deckerville Lions made outstanding progress recently building live wreaths and grave blankets! They worked hard to fill their orders by Thanksgiving. Please don't forget to like and share our new Deckerville Lions public page, and as always.....ROAR! Shown: Kendra Messing, Adrainne Keller, Marsha Chynoweth, Lawrence Block Junior, Kristin Willis, Patty Alexander, William Warren, Judy Keller and Shane Willis.

The Marysville Lions Club recently traveled to the Wills Sainte Claire Automobile Museum. We were honored to host District Governor Donald Spinks, members of the Marysville Police Explorers Post, and the Marysville Girls Golf Team. Wills Museum representatives provided a wonderful tour of our community treasure. It was a great evening for the Marysville Lions.

Croswell Lions are working hard on their big project "CHFC; Croswell Health and Fitness Center". There has been a lot of work done to accomplish this project and there is a lot of work left to complete it. As we go forward, Croswell Lions are going to require a lot of assistance from the District and other clubs. This is a LCI grant project and there has to be support from all of us. The District Lions clubs and a community business have contributed to complete the matching funds portion.

The Coleman Lions Peace poster winners were honored at a dinner meeting which was also attended by DG Jackie Glazier. With their parents present, Coleman 7th grader Kimberly Haskell and Sanford Meridian 7th grader Hope Bailey were awarded \$50 and certificates for their winning posters in our Peace Poster contest.

The Empire Lions sponsored a certified CPR/AED plus First Aid class to their community. The class was held at the Glen Lake Fire Department with instructors from the Department. As paramedics, their on the job experience made the class very informative. The seven hour American Heart Association class used the new automated equipment providing instant feedback on the accuracy of the CPR procedure. With all area churches and town halls now equipped with AED machines, our club decided this was a very important service to the community. The class will be offered again in January as a result of high demand. Certification is good for two years so this could become a signature event sponsored and paid for by our club.

The Central Montcalm Lions volunteered their time at I'M Kid's 3rd Meal making meals for local kids. This organization provides 588 meals a day, five days a week for six local schools to make sure that students have a meal when they get home at night. It was a fun night for a great cause!!!

Greenville Lions Club and friends hauled enough food to box up turkey and ham dinners for the 65 poorest families in the Greenville School District. There were close to 25 Greenville Lions present and many friends. Six schools will receive 10 complete dinners and the Charter School will receive 5 complete dinners.

The Big Rapids Lions participated in the Peace Poster Contest and submitted 2 entries and one of our students won for District 11E-1. "Peace is Kindness to Each Other" by Kara Paquette. She is 13 years old and in the 8th grade at St. Mary's in Big Rapids.

The Harrison Lions Club delivered Thanksgiving baskets to our local veterans.

Lions Nat, Barb, John S., John M., Jerry B., Kay B. and President Penny McLaughlin assembled the baskets.

The Boyne Valley Lions took part in Diabetes Awareness Day yesterday. In conjunction with Munson Healthcare, MSU Extension Services, Eyes on Main, and Park View Family Dentistry we screened walk ins for diabetes. Our health care professionals on hand also answered dental questions, vision questions, and talked about dietary plans to increase awareness of diabetes. Thanks to all who volunteered and all who came to the program! We Serve!

Central Lake Lions Club used DAD grant money to sponsor a Dining With Diabetes series with MSU Extension. With research-based education, cooking demonstrations and healthy recipe tasting, 17 participants appreciated the free classes. Chaired by Lion Di LaBeau, several Lions were on hand to help the classes go smoothly. The Dining with Diabetes Class is now completed. The class started out with 17 and leveled off to about 10 until the last class. We had some heading south for the winter during the month of classes and health issues for others accounted for the attrition. Many thanks to the following Lions who assisted with the project: Mary Beth Mikulonis, DiAnn Roberts, Jim Broome, Cal Shooks, Rod Leathers, Marie Leathers, Malcolm Shore, Michael Bachmann, Burt Young and Bob LaBeau.

Camp Quality was the guest speaker for the Central Lake Lions Club October dinner meeting, with almost 40 in attendance including 7 invited guests. It was a good program informing Lions and members of the community of the great opportunities the camp offers not only for children with cancer, but for their families as well.

Recently the East Jordan Lions held a gun raffle. Art Cosier was the lucky winner of the raffle. He won a Browning 30.06. The proceeds from this raffle will help to fund community projects.

Oscoda Lions ramp builders Lion Bill Gaines, Tony and Chuck finished the Month of October with a Ramp for a disabled veteran in Tawas. The homeowner donated \$200 to help cover the cost of the ramp. Oscoda Lions ramp builders Lion Bill Gaines, Chuck and Nancy started out the month of November building a ramp for Randy Denneel, a Navy Veteran who has MS that is causing mobility problems. They built two platforms plus 13' of ramp. Good thing the ramp was inside the garage because it was snowing hard. Oscoda Lions ramp builders Bill Gaines, Ann, Chuck and Tony built a ramp with a 5' x 10' platform and 17' long ramp. When they started at 8 am it was 11 degrees outside. At 11 am it started snowing and when they finished at 3:30 it was 23 degrees. The Top 3-4" of ground was frozen. And Lion Tony did all the hard work of digging the holes for the post.

Hillman Lions Thanksgiving Project With 5th Graders

Annual Thanksgiving Dinner The Oscoda Lions club held its annual Thanksgiving dinner in mid-November. At that dinner we gave thanks for all the wonderful people in our community that have helped us help others less fortunate than we are. At the same time we invite some of the organizations (Oscoda Area Backpack Program, Iosco County Animal Shelter, Coats for Kids, Loaves and Fishes, Hope Shore Alliance – Lydia's House, Food Bank Giveaway Program, and Christian Women in Action) to the dinner so we could present them with our donations. A total of \$4500 was given that night. This past year the Oscoda Lions gave away over \$20,000 to help others. The Dinner was provided by the Oscoda Lioness Club.

Lion President Bill Palmer presented a check of \$1,000 to Stephanie Peltier and Jennifer Baker for Hope Shore Alliance (Lydia's House).

Lion President Bill Palmer presented a check of \$500 to June and Tony Pursey for Coats for Kids

**Sand Lake Lions Club** – held their Annual Variety Sale in November. It was a beautiful fall day and we had a good variety of vendors and crafters and a good turnout of shoppers. In conjunction with the sale we also held a Diabetes A1C Screening as part of the Michigan Defense Against Diabetes (D.A.D.) Program. We had an above average turnout for that. (FYI 25) Our thanks to the Chippewa Lake-Mecosta Members who came and did the screening.

**Hart Lions** are developing a diabetes program with a local clinic. We held a fundraising

food booth for fairground improvements and have donated to several organizations within the last month.
