PRIDE NEWS

EXECUTIVE DIRECTOR'S PRIDE
WENDY BURNS, EXECUTIVE DIRECTOR

KINDNESS MATTERS..... but why

If you've checked out LCI's website recently, you will notice in big, bold letters: Kindness Matters. In fact if you haven't noticed, the kindness movement, so to speak, can be found everywhere. Customers at the drive through are paying the coffee tab for the person behind them; caring neighbors spread the word that there is a need for a lawn mower and in an instant, one is provided; GoFundMe accounts are set up to assist in times of crisis to supplement costs of medical expenses or recovery from a fire.

Research shows spreading kindness has many benefits including increased happiness and a healthy heart. It slows down the aging process and improves relationships and connections, which indirectly boosts your health. Practicing kindness also has a profound effect on our own mental & physiological health, helping us to become happier and more compassionate toward others. Sign me up!

I happened to be on the receiving side of someone's kind act once. While sitting in the drive-up lane of my bank, a young man was sprinting out of nowhere straight toward my passenger window. He motioned for me to open the window and held up a beautiful bouquet of one dozen roses. As he passed the bouquet through the window, he smiled and said "you deserve this today." Acts of kindness, everywhere.

The book titled Nonprofit Management and Leadership states when volunteers identify with their nonprofit, they have high levels of commitment and satisfaction and that their volunteer work makes a difference in both meaning and impact. As Lions, kindness makes the world of difference in the lives of so many. Kindness identifies who we are and why We Serve.

Can we work harder to be kinder? Of course! But I'll be the first to admit, some days can be more challenging than others! Summer is our season. Fairs, festivals, parades, park clean-up and pancake breakfasts. Let's all sow our seeds of kindness and reap the many benefits.

Maybe even in the form of flowers.

Yours inLionism,
Lion Wendy Burns
Executive Director

LIONS RECOGNITION MEDAL

PCC Paul Hemeryck was presented with the Lions Recognition Medal, one of Lionism's highest honors, at the Single-District 10 Convention in Marquette on April 28th.

Lion Paul was submitted for this honor by PID Jenny Ware, whose nomination was bolstered by the input of PID Esther LaMothe, PID Gary Anderson and PID Bill Hansen. In her submission letter, PID Jenny outlined PCC Paul's 42 years of service through Lionism.

This included his work creating, maintaining and improving upon the Lions of Michigan Regional Lions Leadership Institute; his time spent as the MD11 Leadership Chair; his service on the Michigan Lions Forum Committee; his 13 years of service as the Lions of Michigan Treasurer and his commitment to his home District and Club, the Eastpointe Lions Club.

The Lions Recognition Medal is only given to 75 recipient's worldwide each year; a testimony to the level of service that it signifies. Sincere congratulations to PCC Paul Hemeryck for this well-deserved recognition and a heartfelt thank-you for the selfless service that he provides to his Club, his District and to Lionism worldwide!

SPOTLIGHT

DISTRICT GOVERNOR'S Spotlight
GOVERNOR ROGER SPRIGGS, MD 11 B1

GENEROSITY, FORTITUDE, RESPECT, WISDOM

I thought I had hit the jackpot when I was selected to write the last article of the year, hey this should be easy, I have a whole years' experience to pick from. Well that's not going to work, it simply repeats all the old clichés that we have all heard so many times.

This year my pin incorporated a medicine wheel. In the Lakota tradition the four segments of the wheel represent four positive strengths that describe the perfect Lion. At the end of the year it is useful to look back and ask if you have lived up to these principles and how you can strengthen your commitment in the upcoming year.

GENEROSITY:

In my mind this does not simply mean giving to people who are underprivileged. It means giving of yourself to your community and to Lions. If you love our organization, are you stepping up to take a leadership position, are you mentoring new members, are you taking the time to recruit and retain in your Club? Never forget WE SERVE others.

FORTITUDE:

Fortitude is the strength to push on and get things done, to reach your goals no matter what impediments are placed in your path. President Kennedy told us we were going to the moon, not because it was easy, but because it was hard. Lions will experience negative attitudes, even from other Lions. Always remember WE SERVE, no matter how difficult it may be.

RESPECT:

Politics kills service. This is a volunteer service organization; I expect differences of opinion as to how to achieve a specific goal, so we need to step back and remember that the only reason we are here is to improve the lives of those WE SERVE. I hold that every Lion is as important as every other Lion and that everyone has a valuable place in our organization.

WISDOM:

A Lion who is wise can look inside him or herself and understand their role. They will try to focus on what they became Lions for, TO SERVE. They will help others to serve and they will have the wisdom not to be distracted by petty disputes and remain focused on serving others.

My theme, 'WE ARE ALL RELATED', consolidates these strengths. We need to remember that we all work together for a common goal, that each is as important as the other. If we stop and look at the strengths and remember we are all working together, we will all be better Lions. We must never forget that the people WE SERVE take precedence over personality.

To all those contemplating a leadership role, I thank you. You will be entering a new phase of Lionism, you will get more out of Lions than you have done before. Leadership roles are interesting, educational, challenging and rewarding. By attending District and State events you will make so many new friends. You will also experience personal growth. This is one time everyone wins. Always stay positive. Our State is seeing a positive membership growth for the first time in many years. Most Districts are picking up new members and even new clubs. This is the time to be very positive about our organization, but it is also not yet time to celebrate, we need to keep looking at our goal and not slow down. Great year everyone. Isn't it great to be a Lion.

I will wrap up by saying what an honor it has been to serve with the greatest Council of Governors, and a very professional and hardworking Council Chair. These guys, and one special lady, have become close friends and helped make this year memorable in so many ways. It has been a pleasure to be their Tail Twister and take their money at each meeting. They donated over \$1,000 to our projects this year. Let us not forget our Executive Director, Wendy and our MD Treasurer, Paul and all of the other dignitaries who have supported this Council.

I also must thank our wonderful First Ladies. You will see them working hard at the hospitality rooms and the State events. They spend so many hours supporting the DG's they are our secretaries, our companions on club visits and District events. They are our mentors and our friends. This year we have the honor of serving besides a wonderful team of First Ladies, who are already planning reunions. Thank you to a great team and a great year.

Yours in Lionism
DG Roger Spriggs, MD 11 B1
