PREFACE

ANNUAL APPROVAL AND AMENDMENTS

The Policy Manual shall be approved each year by the Council of Governors at its second-official meeting in October. The Council of Governors may amend the Policy Manual at any time by a majority vote of the Council of Governors.

Any proposed Multiple District 11 additions, changes, or updates must be submitted electronically to the COG Policy Committee no later than 30 days prior to the next scheduled COG Meeting.

The COG Policy Committee will work with the MD11 C&BL Committee to ensure that the proposed policy submissions are not in conflict with either the LCI or MD11 C&BL

PURPOSE

The Policy Manual sets forth policies and procedures to guide the Council of Governors of Multiple District-11 in the performance of its duties.

APPLICATION

These policies and procedures apply to all Multiple District 11 Lions, employees, and attendees at Council of Governor meetings unless otherwise noted. Where specified, some policies also apply to spouses/Partners in Service of Lions.

Every effort has been made to be clear when positions are named. For example, District Governor refers to a current District Governor, not a District Governor-Elect.

SUBORDINATION

These policies and procedures are supplementary to the Constitution and Bylaws of both Multiple District 11 and Lions Clubs International. Should a conflict occur, the Multiple District 11 or Lions Clubs International Constitution will overrule the applicable policy or procedure.

EXCEPTIONS TO POLICIES OR PROCEDURES

The current Council of Governors may grant exceptions to policies or procedures by a 2/3 majority vote of quorum at a meeting called by the Council Chairperson. This meeting may be of any acceptable format described in this document.

Should exceptions to policies and procedures become frequent, the applicable policy or procedure should be reviewed for potential revision.

COMPLIANCE

The Council of Governors is responsible for assuring compliance with the Policy Manual.

DUTY TO REPORT

Infractions of these policies and procedures should be reported to a current District Governor and/or the current Council Chairperson.

CLARIFICATION OF TERMS

To conserve space, many acronyms familiar to Lions, along with some new abbreviations, are used throughout this Manual. A Glossary of all acronyms used are in Exhibit A.

In the spirit of cooperation and collegiality with our fellow Lions in Single District 10, which is comprised of the entire Upper Peninsula of Michigan; Single District 10's District Governor and Vice Governors are considered ex-officio members of the Council of Governors of Multiple District and are entitled to all rights and privileges due to their office. Likewise, all Single District 10 Vice Governors are invited to partake in the Leadership Training provided by the Multiple District 11 Global Leadership Team.

SECTION I COUNCIL OF GOVERNORS

The Council of Governors of Multiple District 11 shall be the governing body of the Lions of Michigan, Lower Peninsula. It is desirable that each Governor sitting on the Council represents his/her district and its interests to the best of his/her ability. He/she should also be cognizant of the fact that the Council of Governors must be a body that is truly representative of the Lions of Michigan and promotes its best interests. The Council of Governors has a duty to create, foster, and maintain the goals of Lionism and its image of public service.

The Lions of Multiple District 11 is a registered corporation registered of the State of Michigan. The Council of Governors is registered as the official governing body (Board of Directors) of the Lions of Michigan. The Council of Governors is also registered as the Board of Directors for the MD 11 Lions of Michigan Publication, Inc.

Each year, it is the responsibility of the incoming Governors to select a Council Chairperson and Vice Council Chairperson.

In order to meet the deadline imposed by Lions Clubs International, to allow for a smooth transition between Council Chairpersons, and to have a leader for the Council in place by the International Convention, the following procedure is recommended: The Council Chairperson shall be selected before the third Council Meeting on a date mutually selected by the First Vice District Governors. The incoming Council shall annually designate a member of each committee to serve as chairperson. To facilitate communications, the chairperson of a MD 11 committee must have access to the internet.

Upon completion of the meeting at which the incoming Council appoints Committee Chairs at the beginning of the Lion year, it is the responsibility of the DGE / District Governor in the district from which the Chair was selected to advise him/her of his/her appointment as Chair. This will allow the

This position will offer said individual an opportunity to learn how the committee operates, its obligations, and its authority. A Vice-Chairperson may be chosen by the committee chairperson and said appointment will be confirmed by the Council of Governors. The appointment of a Vice-Chairperson is in no way a guarantee that said individual will be appointed chairperson of the committee should there become a vacancy in the position of chairperson.

TERM LIMITS ON COMMITTEE CHAIRS

Committee chairs serve at the pleasure of the current Council of Governors. The Council of Governors can replace chairpersons who, in their opinion, are not serving the multiple district. The terms are a suggested period of service.

Each committee has a responsibility to educate and train its members for future leadership. Committee members are encouraged to actively participate in discussions, decisions, and activities in an effort to prepare themselves to assume the role of Committee Chair. No MD 11 or State Committee Chair shall serve for more than four consecutive years (two consecutive terms for GMT/GLT/GST Chairs) in order to (a) promote continuous leadership development, (b) encourage the exchange and flow of information among committee members, (c) foster new/different ideas, and (d) prevent burnout. However, the Council may approve exceptions in order to retain well-qualified committee chairs.

COMMITTEE MEETINGS

Committee Chairs shall submit a Meeting Summary Report to the State Office within five days of a committee meeting. Written minutes of all committee meetings must be sent to the State Office within 15 days and shall include information on attendance by committee members and/or substitutes.

Bills must be sent to the State Office within 30 days. Any bills not sent to the State Office after 60 days must be presented to the Council of Governors by the Committee Chair for payment. (Receipts required.) Bills submitted 60 days after the close of the fiscal year will not be considered.

COMMITTEE EVALUATION REPORTS

Committee evaluation reports shall be completed and returned to the State Office by committee chairs by February 15th each year. Evaluation results will be provided to the DGEs for use at their May planning session.

REQUESTS FOR BIDS

To assure that competitive prices are paid for goods or services, written bids are requested on all purchases and contracts over \$500. For items or services valued at \$500 or more a minimum of two written bids shall be obtained by the respective committee chairperson and/or the State Office Executive Director and submitted to the State Office Executive Director. Every effort shall be made to accept the lowest bid received, all factors being equal. This policy shall apply to all project and committee accounts administered by the Lions of Michigan.

UNBUDGETED EXPENDITURES

The Council of Governors must approve all unbudgeted expenses.

SPECIAL DESIGNATED DAYS

No Multiple District Committee shall designate a special day, week, or month honoring their respective project without prior approval of the Council of Governors.

OFFICIAL MULTIPLE DISTRICT 11 PROJECTS

The five (5) officially sanctioned projects of the Lions of Multiple District 11 are Eversight Michigan, Bear Lake Camp, Leader Dogs for the Blind, Lions of Michigan Service Foundation, and Michigan All-State Band. Directives to the committees dealing with these projects are as follows:

Eversight Michigan Committee - Promote Eversight Michigan and its objectives. Encourage all Lions Clubs to support this outstanding state project of sight restoration. Provide programs for Lions Clubs using the videotapes/CDs and other materials provided by Eversight.

Leader Dog Committee - Encourage support of Leader Dog School. Organize district trips to Leader Dog School to enable more Lions to become exposed to this outstanding project.

Bear Lake Camp Committee – Encourage support of Bear Lake Camp. Supply programs for Lions Clubs. Encourage Lions to visit the camp.

Lions of Michigan Service Foundation – MD 11 has no appointed “project committee” for the Foundation. The LMSF Board of Trustees consists of two elected representatives (who are Lions) from each district that is responsible for promoting and encouraging support of this project.

Lions of Michigan All-State Band - Promote LMASB and its objectives. Encourage Lions Clubs to support this outstanding state project of your youth-member band, which also serves as a Leo Club in District 11-C2.

Provide programs for Lions Clubs using videotapes/CDs and other materials provided by LMASB to assist in the promotion of the band.

POSITION STATEMENT ON MULTIPLE DISTRICT 11 PROJECTS

This is a clarification of the obligations of the Lions State Office toward Eversight, Michigan, Leader Dogs for the Blind, Bear Lake Camp, the Lions of Michigan Service Foundation Lions of Michigan, and All-State Band. Directives to the committees dealing with these projects are as follows:

Each of these projects is autonomous and not under the direct control of the Lions of Michigan. Each has a separate Board, made up of Lions and non-Lions alike. They have their own administrative offices and staff. All have Administrative Directors with the exception of LMASB, which utilizes the Lions of

Michigan Executive Director to handle contributions, trip fees, account payable/receivable, mailings, etc.

Each year, the District Governors appoint Lions whose assignment it is to promote these projects through videotapes/CDs and club visitations. They also encourage contributions. In the same manner, the district officers also encourage support for these projects.

It is not the obligation of the Lions State Office to use administrative funds to provide mailings, equipment, materials, or staff for the promotion of the five MD 11 projects. The administrative branch of each of these five projects has a budget in excess of the State Office. It is their responsibility to cover expenses incurred in the promotion of their project.

The adoption of a project by the Lions of Michigan does not imply that they assume responsibility for administrative operations. A record of any travel of this nature will be kept expenses incurred, country visited, the purpose of the travel,

Every youth participating in the Youth Exchange program falls under the responsibility of the Youth Exchange Committee of the Lions of Michigan. All applications for the Youth Exchange program—for youth or for host families—must be filed in such a manner that all deposits are sent directly to the State Office so records of all payments can be kept.

The committee shall provide the State Office with a list of the names, addresses, and phone numbers of families in Michigan who will host youth during the designated period of the program. They shall also provide this type of information on families who will host our youth when they travel abroad. Host families for each youth must be designated for the full period.

Under no circumstances should the Youth Exchange Committee accept youth from abroad into Michigan unless they have been assigned to a host family for their entire visit.

Parents are to know exactly where their child will be residing during their stay—not just their general location. This information is necessary for the youngster's safety should an emergency arise.

Lions of Michigan MD 11, Inc. is committed to providing a work environment that is free of unlawful discrimination. In particular, sexual harassment is defined as any unwelcome conduct that would not have occurred but for the employee’s gender, including but not limited to sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature that 1) has been made either explicitly or implicitly as a term or condition of an individual’s employment or 2) is used as a basis for employment decisions such as promotions and benefits affecting such individual and other offensive behavior directed toward an employee because of or on account of his or her gender, which substantially interferes with an individual’s work performance or creates an intimidating, hostile, or offensive work environment.

Other unwelcome sexual conduct in the workplace, whether physical, written, verbal or electronic, committed by anyone covered by this policy or guests also are prohibited. This includes, for example, offensive sexual flirtation, advances, propositions, abuse of a sexual nature, graphic verbal commentary about an individual’s body, sexually suggestive objects or pictures. An individual’s claim that he or she “meant no harm,” “did not mean to offend anyone,” or intended the statement as a “joke” will not be a defense to a complaint of such inappropriate behavior. This policy applies to conduct which occurs in the workplace, and also extends to conduct, which occurs at any location that can be reasonably regarded as an extension of the workplace.

Any employee or Lion who believes he or she has been or is being harassed by a coworker, supervisor, or agent of Lions of Michigan MD 11, Inc. should immediately report the facts of the incident(s) and names of the individuals involved to his or her supervisor or, in the alternative, to the Council Chairperson, a District Governor, or the Executive Director. Employees who report harassment, in good faith, should not fear any reprisal (also, refer to whistleblower policy). All employees should also immediately report any incidents of harassment they witness to a management representative.

After a report of harassment is received, an investigation by management will be undertaken promptly. Any supervisor, agent, or other employee who has been found by Lions of Michigan MD 11, Inc., after investigation, to have harassed another employee in violation of this policy will be subject to discipline that may range from a warning up to, and including, termination.

Scope of Policy Statement

Social media is an online media that allows for interaction and/or participation. Examples include:

- Social networking and micro-blogging sites like Facebook, Twitter, Tumblr, LinkedIn, Pinterest, and Instagram
- Video and photo sharing sites like Snapchat, Flickr, and YouTube
- Online forums and discussion blogs, including comments on online news articles

Persons Concerned

This social media policy applies to all people who work, volunteer or represent Lions Clubs of Michigan.

Background

The Lions Clubs of Michigan has a well-established presence across a range of social media platforms. These platforms are used as additional communication and promotion tools to complement our existing communication and marketing avenues. Social media is primarily used to provide Lions members and the general public with community interaction and an opportunity for the public to support Lions while learning about the organization, our services, resources, and campaigns.

Lions clubs are also increasingly using social media to interact with their members and communities. As with the State Office, social media is used in clubs, zones, and districts as a complementary tool to other engagement and promotion activities.

The State Office encourages the use of social media as an effective tool to reach our communities and promote the work we do. We are also able to provide assistance to any individual or club needing guidance and advice on managing their social media profile. However, we cannot manage the pages for you.

Definitions

Social Media

For the purpose of this policy, social media is defined as any conversation or activity that occurs online, where people can share information or data that might impact on the Lions Clubs of Michigan.

Official use

Official use is when an employee, volunteer, or Lions member is using social media as a representative of Lions Clubs of Michigan.

Personal use

Personal use is when an employee, volunteer or member is using social media as themselves, not officially representing Lions, but identifying themselves as affiliated with Lions in their online biographies, profiles or posts, or through other digital platforms. People who are employees, volunteers or members who do not identify themselves as being affiliated to Lions Clubs of Michigan are still counted as representing the organization, as the nature of the online world means they could be traced back to the organization through their online presence.

Guiding Principles

Lions Clubs of Michigan employees, volunteers, and members are encouraged to participate in social media as it is a powerful tool to complement our other PR activities. Whenever Lions Clubs of Michigan employees, volunteers, or members are interacting on social media in a capacity that represents the organization, the following guiding principles should be considered:

- Respond to comments and opinions respectfully and professionally.
- Acknowledge and correct mistakes as soon as possible. Everyone makes mistakes, but we should acknowledge or correct them when identified.
- Disclose conflicts of interest. E.g., any paid partnerships or sponsorships should be clearly stated.
- Don't make statements on your Facebook or other social media pages that you wouldn't make in any other type of advertising.
- Be polite, considerate, kind, and fair.
- Avoid making misleading or false claims. Use examples and evidence where possible.
- Be mindful that the Lions Clubs International Code of Ethics & Policies apply on social media too.
- Ensure images, videos or other content do not infringe copyright - attribute photographers or owners of content where appropriate.
- Ensure the content does not contain spam or viruses.

Inappropriate use of social media includes (but is not limited to):

- Conducting a private business on Lions Clubs of Michigan's social media presence
- Using discriminatory, defamatory, abusive or otherwise objectionable language
- Stalking, bullying, trolling or marginalizing any individual or group
- Accessing or uploading pornographic, gambling, or illegal content, including extreme images of graphic content or information regarding activity relating to firearms, bombs, terrorism, etc.

Social media and defamation law

Lions should be aware that defamation laws apply to the online world, including social media.

Defamation is defined as: "being subjected to slanderous, libelous or defamatory comments or publications that can tarnish a person's reputation."

- In general terms, defamation occurs when a person intentionally spreads information about another person, group of people, or small company that damages their reputation, or can make others think less of them.
- Defamation is actionable regardless of the medium. A person can be defamed, for example, in print, through photos and on the internet.

- Defamation cases involving the internet and social media are relatively new, but the same principles apply.
- A person who did not create the defamatory material but only shares it (for instance, by "retweeting" a tweet) can also be held found liable guilty of defamation. There are several defenses to defamation, including that the statement was true, or that it was an expression of an honest opinion. Consequently, you may be liable for defamation if you spread information that constitutes a hurtful and untrue statement of fact about another person.
