Session Highlight-
UP LIONS
SERVE: Bringing
Communities
Together

To be "contagious", something must spread rapidly in a population. Once the contagion starts spreading, it picks up speed and moves faster and faster. I will not use the perfect example that we all experienced recently in the pandemic, but will use a simple snowball instead! When on top of a mountain and you push/throw a snowball off, it first starts to grow in size. Then it picks up speed. Pretty soon it is racing downhill and gobbling up everything in its path! How does this fit into the Lions? You have to first throw the snowball to get things rolling (membership and/or satisfaction). Then look out or it will begin to grow fast! In this seminar, we will offer ideas for you to use as snowballs. We will try to teach you to "throw" them and then manage the roll as it builds momentum racing downhill in your clubs!

As a final thought, what happens to that snowball if you just let it sit on the ledge til Spring???

UP Lions Serve is a 501(c)3 foundation for the District 10 Lions. We are committed to bringing communities together to help and serve one another and promote

service in the areas of childhood cancer, diabetes, hunger, environment and vision. We are here to help "Yooper" families throughout the Upper Peninsula! We, as a team, collaborate in our communities to find out what is needed, then together we develop programs to empower members and people. During this session, Lions Chris Smith and Gary Perala will talk about the features and benefits of incorporating the UP Lions Serve Foundation, fundraising, website development/social media/advertising/marketing, programs, grants, as well as goals for the future of the Foundation. We are Stronger Together.

EXECUTIVE Director's Pride

Fellow Lions, your state office headquarters is on fire over here!

As we get closer to the date for the Lions Michigan Forum, excitement continues to build. Council Chair Ron Gibson, GST Chair Terri Huffman, Lion Chrissy Andre and I made a recent visit to tour Kid's Food Basket in Grand Rapids and believe me, it was powerful. Lion Terri said what we all were thinking: "Help me get through this tour without crying!"

Kid's Food Basket believes strong kids make strong leaders. We believe this, too, which is why hunger is one of the Lions Global Causes. KFB provides thousands of sack suppers to children and families in four counties throughout West Michigan every day. Lions will help play a role in this by supplying and packaging items for their snack packs during the Forum service project February 24. Prepare to be moved. Kleenex will be available.

We left KFB with excitement building. The Forum Planning Committee under the leadership of PDG Jim Leach, Jr., have dedicated their time over the past 4 months to laying out the details; the session speakers are fine-tuning their presentations in effort to offer you the tools necessary to strengthen your club, your community outreach, to take care of our environment, and to hone those leadership skills. Our guest speaker, Dustin Dale, is sure to motivate you and his book will reinforce what we learn.

We've added new ideas and have worked hard to enhance this year's experience at the Forum.

You will leave with a passion to serve more, the excitement to grow your club,

and the uplifting feeling you get when surrounded by good friends and good people.

Come to the Forum! I am certain you will feel the fire.

Yours in Service-

Lion Wendy Burns,

2023 has arrived. It's a new calendar year. It's also the 3rd quarter of our Lions year. Many of us make New Year's resolutions, focused on things like better health, improved relationships, better spending habits. As Lions, do we also make resolutions? For some, these come in the form of goals, set at the beginning of the Lions year. But since we've turned the calendar, and since we're Lions, let's come up with some Lions resolutions. What might they look like?

Well, here's a few:

- Wear your Lions pin proudly, and not just at a Lions function.
- Help at more fundraisers and service projects.
- Promote and suggest a new activity in your club. The Lion Pride can be a great resource for finding new activities.
- Find ways to keep your older, less active members involved.
- Invite a potential new member to a club function.
- Take the Lions Code of Ethics, which we promise to live by when we join Lions, seriously. Simply put, it's our "Do Unto Others" code of conduct.

There are certainly other Lions resolutions you can think of. But, ask yourself this: am I more likely to keep my New Year's resolutions, or my Lions resolutions? Let's have a great 2nd half of our Lions year! CC Ron

PDG Daoud was elected by seated First Vice District Governors as Council Chair for the 2023-2024 Lions year.

CCE Daoud will officially begin his term July 1, but has already jumped in to attend committee meetings and will be present at the remaining Council meetings as he prepares for his upcoming year.

The Lyons-Muir Lions Club recently expanded their reach into a neighboring community that does not have a Lions Club by bringing the "Lions Guest Reader Program" to the Pewamo-Westphalia Elementary School. The Lions read three books to approximately 40 more children. Each of the selected books for the district wide service project focus on a value such as the importance of kindness, trying and the unlimited potential in each of us.

If you need help developing your club's "Lions Guest Reader Program, please reach out to your zone chair or DG Diane Wehby. March is national reading month and schools/libraries are often looking for programs such as this.

Greetings Lion Members, Family and Friends

Happy New Year. Let us ring in the New Year with
Love and Service

Let us Celebrate, Celebrate, Celebrate.
It is an exciting time of the year.

As we reflect on the Lions Fiscal year so far for 2022-
2023, we have a lot to Cheer about. Reflecting back on 2022, the GLT team in
Multiple District 11 and Single District 10 have been busy training our upcoming
leaders. Club Officers are getting trained and encouraged to lead their clubs with
service, and membership growth. A number of Districts are showing positive growth
in attracting new member. Clubs that are active with providing service in their
communities usually attract new Lions because they are like minded individuals.

Reporting service on the LCI website is one of the main focuses for this year's
training. Region and Zone Chairs are visiting clubs and providing information from
National and District Leadership.

As Global Leadership Team members, for MD 11 and SD 10 our First and Second
Vice District Governors have received multiple trainings on leading their respective
districts. A number of training sessions are provided by LCI on line. The Global
Leadership Coordinator for MD 11 and SD 10 has also provided a number of training
sessions in person. Those who could not attend in person have attended on Zoom.
The incoming governors are a wonderful group of intellectuals who are committed
in leading the districts. They are ready to provided service and grow membership.

The Second Vice District Governors are just as anxious and eager to learn.

MD 11 is seeking Second Vice District Governors for Districts
A 2, B 1, B 2, C 1, C 2.

If there are any enthusiastic Lion Members willing to serve and lead the districts,
we encourage you to step up and take charge. Feel free to contact your district
officers for guidance.

So far this has been an active year for learning and teaching. I encourage all the GLTs, GMTs and GSTs to keep up the excellent work and continue on the positive path, encouraging members through service, positivity, and FUN.

HAPPY NEW YEAR 2023—GOD BLESS.

To ensure each child is receiving the same meal, we ask for no substitutions to the items on the preferred list. Any brand of the following items is welcome, and each district is asked to supply the following items with include 4 snacks per/bag in addition to the fresh fruit and vegetable to be added at delivery. REACH OUT TO YOUR FUTURE REACH OUT TO YOUR FUTURE

New Members...

- bring new energy and fresh ideas.
- are our future leaders.
- are the future stewards of Lionism.
- help us fundraise and expand our hands on service activities.
- help us establish new relationships within our community.

In 2008 my Club, the Livonia Lions Club had 25 members. I was the youngest at age 50. Other area Lions Clubs were closing (Redford Township, Farmington Area, Madonna

University), and if we didn't change our ways, we would follow suit. What to do?

We established our "Reach Out" Initiative to increase community awareness of Lionism, to increase the communities engagement with Lionism and ultimately to increase membership opportunities.

Over the past 14 years we have "Reached Out" to our community in a variety of ways. We established and recently updated our website (www.LivoniaLionsClub.org). We established and regularly update our Facebook page ([livoniahighnoonerslionsclub](https://www.facebook.com/livoniahighnoonerslionsclub)). We joined the local Chamber of Commerce, produced and distributed club literature, published club articles in the local paper as well as area business newsletters and social media blogs and we increased our hands on service activities within our service area. We conducted an annual "Meet the Lions" Member Recruitment Event and utilized the Lions Club/Business Liaison Program to identify and welcome new members to our Club. We established a network of Community Service Clubs and partnered with them on major area service products such as Meal Packing Events and Bed Building Events. We embraced Social media and now publicize many of our Clubs Activities on Facebook. Utilizing these approaches has helped increase Community awareness of Lionism and helped us to identify many prospective members to welcome into Lionism.

Today the Livonia Lions Club has 42 members. 90% of our current membership has joined our Club since we started "Reaching Out" in 2008 and their collective focus is to serve their community. We raise more funds, do more hands on community service and continue to position our Club to continue to be stewards of Lionism for the foreseeable future.

I invite every Club in MD11/SD10 to use your best efforts to "Reach Out" to your community to promote awareness of Lionism and welcome new members to your Club. Once those members are on board, help them find the satisfaction of helping others and they will become Lions for Life!

Respectfully submitted,

Lion Matt Collins

THE NEW THE NEW

YEAR FILLED YEAR FILLED

WITH HOPE!WITH HOPE!

By now many Lions have heard of "GMA" or "Global Membership Approach". Did you know that the term Global Membership Approach stood for two different things? First, there is the Global Membership "Process". This refers to how we do GMA. The second term we use as Global Membership Approach are the "Objectives" or "Focus" when we add in the training element. So we have both "methodology" and "goals" in mind when we talk about the term Global Membership Approach. Said in another way we have a "roadmap" to show us the way and a "destination" of where we want to go. The GMA objectives are encouraging more people to become Lions, building new clubs, engaging Lions in meaningful service and training our Lions to do all this. Contrasting that with the GMA "process" which gives us a consistent approach to getting these goals done. This is an important distinction as the "process" can and should be used for most of the things we do as Lions. Permit me to expand on the process.

As already stated, the GMA Process is the method we approach, or roadmap if you will, that is used to get to our goals. The process is broken into 4 parts. Build a Team, Build a Vision, Build a Plan and Build a Success. When we look at each one of these individually, it easy to see what Lions Clubs International has done. They are teambuilding to accomplish specific goals. Even more so they have broken the steps of teambuilding up into easily accomplishable steps for success of our service goals!

Here is where we can really use the power of our organization to leverage and help our service that we do as Lions become reality. As you are planning your next service endeavor that seems too large to accomplish, think about applying the "process" of GMA to define goals that we want to accomplish. This process can (and should) be used at the multiple district, district and club levels. Let's use an example to help clarify this. We'll base our example on the district level. We'll use Project KidSight as our committee (or "team" if you will) that exists in many districts in this example. We all understand that Project KidSight screens eyesight in youth.

Our Project KidSight Committee (team) meets at the district level. The team consists of Lions or maybe even a community member at large that is interested in screening the eyes of our youth. So we have a Team! Our team meets and discusses with Lions and non-Lions what they really would like to accomplish this coming year. For instance, maybe we screened the eyes of children at the local Easter egg hunt every year, but this year there is a new parochial school that was built that needs this service as well. We are building our "vision" of what we really should be doing in the

community. Several of the Project KidSight Team sit down to "plan" this expansion of need. They come up with some "customized" goals that can be written down. Finally, the Lions in the district work to make this a reality. So what have we done? We built a team. For the most part it was in place from last year. Maybe we had to encourage a new member or two. As a team we built a vision of what we wanted to do. From there we created a plan and wrote it down as a "custom goal" so that it could be transmitted to all of the Lions and community as a concise plan that could be followed and if necessary bettered. Finally, we carried out that plan. All the ingredients of a "Custom Goal".

Why make goals? That's pretty simple too. It engages both Lions and communities. It clearly transmits the "what we intend to do" part to many people without misinterpretation. With an army of people or a pride of Lions we can accomplish many great things. Why write goals down? We know that by writing them down we can communicate our goals. We also know from experience that written goals are much more likely to be accomplished than unwritten goals. As Lions we accomplish great things. We accomplish even more when we have all of us along with our communities pulling in the same direction. Finally post those goals so that everyone knows our direction. Check out the GMA Process on our website: www.lionsclubs.org/global.

Happy New Year Lions! One thing I am happy to be part of is our Lions organization and the difference it has made in my life and those around me.

Cheers!

I hope we can continue this column with other people writing in with...Things You Might Like To Know.

Recently I attended the MAFE Convention held at the Amway Grand in Grand Rapids, Michigan. What does MAFE stand for you ask? Michigan Association of Fairs and Exhibits.

Upon learning that, why was it important for Lions to attend?

Well, the real reason is that this convention is attended by almost all if not all of the community Fair and Festival planners in the State of Michigan. PKS attended as exhibitors, presenting attendees with the Lions of Michigan Project KidSight Program. With over 88 total community fairs in our fantastic state, the opportunity to screen so many kids makes this a very special opportunity.

Attached I have the 2023 Fair & Festival dates. I hope all of you will take a look and see what fairs and festivals are planned in your County, District or Community. Next work with your PKS District Coordinator and make plans to be sure to attend these events if at all possible. If you see an * next to any of them listed, it's because someone stopped by our booth at MAFE and definitely would like KidSight at their

Fair!

If you are not sure who your District PKS Coordinator is, feel free to contact me at wjmayuiers@gmail.com.

Thanks for all you do!!

WAYS TO FIND HARD WAYS TO FIND HARD
COPIES OF KIDS BOOKSCOPIES OF KIDS BOOKS

PDG Ronald Coleman has worked tirelessly representing the spirit of Lions Clubs International since 1979 when as a young man he joined the Detroit Renaissance Lions Club sponsored by his step father, Lion Robert M Walker. Since that time, his accomplishments in the State, District and Club Levels are well noted. He has held positions from Club President (twice) to District Governor with many, many other positions and awards given along the way.

He has organized and co-organized 4 Lions Clubs, (Detroit Westtown Hartford Lions Club; Detroit Medical

Center Lions Club, Detroit Healthy Lions Club, Detroit Greater St. John Lions Club most recently Michigan Cyber Lions Club. Since Ronald believes in mentoring New Lions, he has sponsored more than 30 Lions.

Four accomplishments that are the most special to him as a Lion are probably not the most well known of his efforts. The first, in 1992 while serving as Public Relations Chair for Governor Bob Smoke, when he coordinated a project to increase public awareness of Lions using billboards and posters. The second in 1999, representing Lions all over Michigan he helped raise money to buy food and was part of a two man effort with great risk, to deliver money and food to Piao Columbia after it was devastated by an earthquake. The third was 2001 when after a call from International Director Lion Salim Moussan of Lebanon District 351, who he met at an International convention, asked Lion Ron to assist Lion Fouad Beydoun in the formation of what would become the "International Association of Organ Donations". This effort led to a partnership with the former Secretary of State, Terry Lynn Land to increase ways to register individuals to become donors. And fourth, he guided the process to win a \$200,000 Core Four Grant from Lions Clubs International Foundation to reduce drug use in children, also known as Lions Quest.

As a family man Lion Ron has 3 children, Ronald Mark and twins Jill and Jason, 5 grandchildren and 6 great grandchildren, and he enjoys fishing, boating, hunting and playing with constant companions, his two other "furry" children, Chase and Phoebe. His wife, Lion La Wonna supports him in his efforts and thinks he's one awfully special guy.

Congratulations, PDG Ronald Coleman,
2022-2023 S.A. Dodge recipient!

Lots of people still love the look and feel of old-fashioned paper-and-ink books. Young kids may like turning the sturdy pages in board books. Older kids may like dog-earing a page corner or jotting their thoughts down on sticky notes to mark key passages.

There are a bunch of programs like Book Trust and Reading Is Fundamental that partner with schools to help kids choose free or low-cost books for their home libraries. Here are five more places where you can find free hard copies for your child.

1. Dolly Parton's Imagination Library

The country singer started Imagination Library, a program that mails free books each month to kids ages 0–5. It launched in 1995 and now mails kids more than 1 million free books each month. Enter your zip code to see if the program is in your community. If it's not, you can apply to start a local chapter.

2. Little Free Libraries

Little Free Libraries are free book-sharing boxes where anyone can take or share a book. So far, volunteers have installed more than 90,000 book-sharing boxes near sidewalks and other places people tend to walk by. The goal is to provide 24/7 access to free books.

Enter your zip code to look for a Little Free Library near you. If you live in an area where there aren't any libraries nearby, you can apply for a free book-sharing box

and a starter set of books. More than 1,000 of these “impact libraries” have been donated so far.

3. Freecycle, Facebook, and Craigslist

Everything offered on Freecycle is free — all you have to do is pick it up. With more than 9 million members, chances are good there’s a Freecycle group near you. Search the offers for kids’ books or you can post a wanted ad.

Facebook is another place to look for people giving away free kids’ books. Search local parent groups and also on its Marketplace section. You can also search the “Free Stuff” section on Craigslist to find people who are giving away books and learning games.

4. Book Exchanges and Book Banks

Search online to see if your community has a book exchange or a book bank. Book exchanges encourage visitors to trade in books. Book banks simply give books away.

Some book banks partner with schools and community groups to distribute free books to kids. But some are open to the public. For example, the Maryland Book Bank in Baltimore lets kids ages 13 and under take as many books as they can carry. Teens and adults can take up to 25 books per visit — one visit per month.

5. Libraries and Bookmobiles

Don’t forget about your local library as a great place to borrow countless books for free. Libraries offer lots of other free learning resources, too. If it’s hard for you to get there in person, ask your library if it has a bookmobile. There are hundreds of these in the U.S. If your library has one but it doesn’t stop near you, ask about adding another stop.

You can also ask your local library if it offers mail order. Some libraries will deliver straight to your door — at no cost to you.

Another topic to bring up with your local library: book giveaways! Many libraries give away piles of books from time to time. Ask your library if it has free kids’ books available or when it expects to give some away.

PDG Connie Shelton broke the barrier in District A2 when elected to serve as their first female District Governor in 2008-2009. She went onto serve in many district and state leadership roles with her most recent being that of LCIF MD 11 State Coordinator in which she served for 12 years, ending her term in 2022. Led by PDG Connie’s passion for LCIF, we were able to raise money through a raffle and donate \$11,000.00 to LCIF at last year’s MD 11 Lion’s Convention.

She has dedicated her time serving on the Michigan Lions Forum, MD 11 Convention, and the Childhood Cancer committees. Within the District she is a strong supporter and a volunteer at Maggie’s Wigs 4 Kids, an organization that assists children with cancer. Beaumont Silent Children’s is a cause near to her heart as well. PDG Connie is busy these days training her first Leader Dog puppy.

Congratulations, PDG Connie Shelton,
2022-2023 S.A. Dodge recipient!

Kids' Food Basket has been committed to West Michigan since 2002. Join us in our commitment to SERVE on February 24.

In 2002, Mary K. Hoodhood received a phone call that changed everything. A local school principal reached out and said that students were regularly going into the cafeteria after school in search

of food to take home. Mary identified an immediate need. With \$3,000 and a handful of volunteers, she committed to providing a solution to childhood hunger in our community.

We began by providing 125 students at three schools in Kent County with nourishing evening meals in a brown bag, which we called Sack Suppers. For two decades, thanks to the support of a diverse range of community partners, we have grown to now serve thousands of children and families in four counties throughout West Michigan every day.

Championing sustainable, community-driven farming and working alongside our West Michigan neighbors, we look to break down barriers to food equity and help to solve systemic and complex causes of childhood hunger with dignified, long-term solutions.

Healthy food is a right, not a privilege. Kids' Food Basket is committed to ensuring that right is enjoyed by everyone in our community—not just today, but for generations to come.

Working together, all of us can ensure that local students have access to healthy, life-affirming food to help them thrive and foster their limitless potential.

Lions attending the service project on Friday, February 24 will learn first-hand how KFB works to reduce food insecurity and increase food equity in the community.

What goes on at the convention?

It's when we catch up with friends from around the world, see what's going on in the organization, and make decisions about the future.

The Exhibit Hall

At every LCIcon, there's an Exhibit Hall. Walking around, you'll find a place to connect with Lions International staff, ask questions, learn about new resources. There are also opportunities to share your service stories, grab new gear in the Lions Shop, learn more about our digital products in the Tech Zone and see our foundation's impact and donate directly.

Plenary Sessions

The Plenary Sessions are one of the main draws at LCIcon. During the three sessions, Lions hear from incredible keynote speakers, listen to leaders speak about what Lions have achieved — and what's coming next. And, of course, there's plenty of world-class entertainment to enjoy.

The International Election

LCIcon is also the venue of the annual International Election when certified delegates from clubs around the world cast their votes for the future leaders of the organization.

The Parade of Nations

The convention isn't all business. We also celebrate our diversity with a parade where Lions and Leos can showcase their culture and pride as they march together through the streets of the host city.

March with Michigan Lions in the parade! Parade uniform consists of a Lions of MI parade shirt (parade gear available for order through the state office); optional white hat; navy slacks, dark shoes. 2023 Michigan pin now available.

Parade date: Saturday, July 8.

Register now at <https://lcon.lionsclubs.org/>
Once you register your hotel will be assigned.
The complete list of hotels can be found on the
LCICon website and here, in the Lion Pride.

This year's International Show will ignite a blast from your rock 'n' roll past as Killer Queen: A
Tribute to Queen with Patrick Myers takes the stage. Killer Queen is the number one Queen tribute
band in the world, and they will headline our Second Plenary at LCICon 2023 Boston.

This band doesn't just imitate Queen...they become Queen. Celebrate the legacy of lead singer
Freddie Mercury and experience all the high-octane energy of these rock icons as Killer Queen
performs the songs that shook the world of arena rock in the 70s and 80s. Get ready to sing along
to Queen classics like Bohemian Rhapsody and Another One Bites the Dust with your fellow Lions
and Leos. Make sure you've registered for LCICon 2023 Boston and join us for an extravaganza of
rock 'n' roll royalty.

District Furniture Giveaway Service Project- Over 27 homes and families as well as other service organizations, received all of the things you see here and more since our last donation giveaway service project in August...and we are still on the move. Several families that had been burned out now have FULL home furnishings for their families. Many of whom are single mothers or fathers that due to life circumstances found themselves in need. Many of our Lions, other volunteers, and other organizations such as Women's Life donated and assisted in this service effort. We have many testimonies of thanks to the Lions Club International for their furnishings and home goods! Several Lions and others came to Lion Michelle's home, sorted and delivered goods to others and moved their furniture in and set it up if need be!

Richmond Lion Bob Szalka was honored with highest honor earned by a Lion and represents humanitarian qualities such as generosity, compassion, and concern for the less fortunate.

Lion Bob became a member in 1994, sponsored by Art Rowley. Current he is co-chair of the White Cane program and Chair of the Scholarship committee.

The Northville Lions collected donations at the winter craft fair with the help of several local high school volunteers.

The Cereal City Lions had a busy

combining service and fun! On

bells for the Salvation Army.

On December 8, several of us enjoyed an open house at the Battle Creek Model Railroad Club. Lion John Stiff is also a member. On December 14, our club celebrated together with our Christmas party at Riverside Golf Club. And this past weekend our Lions came together to distribute food and gifts to our 24 Christmas families. This project gets most of our Lions and their families involved. Being a Cereal City Lion has many rewards; the opportunity to serve others, fellowship with friends and meet some great people!

Kal Haven Lions held their 23 annual Kids Party on Dec 17th at the Gobles 1st Methodist Church. Each child received a stuffed animal, their choice of a gift, a visit with Santa and a sloppy joe, chips, cookies and juice. Sturgis Lions and Leos met Saturday morning December 10 to deliver copies of our holiday edition of the Sturgis Lions Club

Extra to all homes in Sturgis. For the past several years (except for the pandemic) the News has been one of our best fundraisers. Advertising is sold within our area and articles are written to illustrate the many ways our Lions Club serves our community. 2500 papers were printed. Pictured presenting a certificate of appreciation to Aaron Schwartz by his grandfather Gary Large, and a certificate to Lillian Brown for helping to deliver the paper.

2022 was another great year for Dexter Lions and their annual fundraiser, Christmas Tree sales! They set a new record! The last tree (Scotch Pine) was sold at 2:02pm on Sunday, December 11th. There were only two wreaths left on the lot. Thank you to Lion Chair Bob Steptoe for the great leadership in organizing such a project and all the hours he puts into it! The Bay City Lions Club visited our friends at Hampton Meadows, Brookdale Senior Living, New Hope Bay, and the Colonnades and made a couple of stops at Lion homes to sing Christmas carols. Song leader and organizer Past President Lion Ed Reaume brings the caroling project to life each year and we are grateful for his leadership and efforts to gather us to visit our Lions who aren't getting out much anymore. Special thanks to Lion Steve Mitchell for donating his service and transporting our group on the safe and ultra comfy Mitchell Motorcoach for the evening.

The Frankenmuth Lions celebrated Christmas with a special dinner at the Bavarian Inn Restaurant Alpine Room. They were entertained by musical selections and Christmas carols. A highlight of the evening was the annual "bottle raffle", which was fun for all. More than \$700 was raised from the raffle. The designated charities for this year's event are the Rescue Ministries of Mid-Michigan and the I Support the 1% cause, both of which fight hunger in our community and among veterans. The club will match the funds raised during the raffle and the donations will be presented in early 2023. In addition, the Lions served as bell-ringers for the Salvation Army during December and collected over \$4600 for the cause in six days.

Pearl Beach Lions Club had

almost 150 children come and visit with Santa! We were so happy that Santa was able to fit us in again this year. We know it's a busy time for him, but he always makes time for our community!

This year for our Christmas party we decided to go Christmas Caroling at each of their homes. To say the least they were all delighted to see us. We had a great time catching up with all of them. So much fun was had by all.

Freeland Lions Wow, what a day it was for the Freeland Lions Club. On December 3rd, the Freeland Lions Club held their third Food Giveaway for the year, and what a turn out

it was. The local Boy Scouts, Cub Scouts, Freeland Robotics Clubs, and many more turned out in the cold to help with the monthly Giveaway. The giveaways usually help 300 to 350 families and take around 2.5 hours. Well, this Saturday morning it took around five hours...The reason for this was they ended up serving five hundred and seven families! Great job Lions!

Flushing Lions had a busy December including two Craft shows they attended and sold over \$1000 in Crafts made by several of their Blind members. They made dryer balls, matts for dogs and other crafts. They also helped a family that was burned out of their home just before Christmas. The Petoskey Lions had their annual holiday gathering at Petoskey's Southwoods on Wednesday, December 14, for the first time in 2 years due to the COVID Pandemic. Our snowbird members are gone and some were unable to attend, but the sparse Lions were boosted by some family and friends that were invited guests. Our numbers were small, but our commitments to Service were high as members bought and brought items they purchased

to donate to the Women's Resource Center (WRC). In the past we have concentrated on paper products for the Center, but this year, in the knowledge that people need and are asking for socks, we had bags of socks for women and children, and some paper products to donate as well. Also, checks were sent out the WRC and to the Jeremiah House, which works to help people who need recovery from traumas or addictions and are homeless. 'Tis the season to give, and it feels good to help people in any season.

Harrison Lions Club
Happenings: Harrison Lions, with Santa, hosted a KidSight screening on December 17 from 12-2 pm at our club house. The club is running BINGO every Tuesday and Thursday at 6pm. Lion Barb Sovey was awarded Lion of the Year. Our Peace Poster student from Harrison School won in our district.
